

FED BIZ OPPS (FBO) IS GONE! NOW WHAT?

In November 2019, FBO was shut down, renamed as "Contracting Opportunities" and moved to **beta.SAM.gov**. There has been confusion about how to log in to **beta.SAM.gov**, how to find government solicitations and how to set up an account.

To help you navigate your way through this new system, the Procurement Technical Assistance Center (PTAC) is sponsoring a training workshop.

DATE: February 19, 2020

WHERE: Davis Technical College, Northfront Business Resource Center
(450 So. Simmons Way, Kaysville UT 84037)

WHEN: 9:00 a.m. – 11:00 a.m. (*Registration at 8:30 a.m.*)

The Training will cover:

- Overview of beta.SAM.gov
- Login Guide
- How to Search For Contract Opportunities
- Using Search Filters
- Saving Searches
- Following Specific Opportunities
- Interested Vendor Lists
